

Request for Consideration: Acquisition of Existing Playground Equipment at Bruce Lunsford Park

Requests are being accepted for the acquisition of the existing playground equipment currently located at Bruce Lunsford Park, prior to the installation of new equipment.

Requester Responsibilities:

- The requester shall assume all costs associated with the removal of the existing playground equipment, including mulch and border materials.
- All resulting holes must be properly filled, and any areas not incorporated into the new playground must be restored. Restoration shall include leveling, seeding, and applying straw to ensure proper site rehabilitation.
- The requester shall coordinate with the Village Council and the Playground Community Fund members regarding project timing, with the goal of minimizing the duration that the park is without playground equipment.
- Complete a waiver of liability for the equipment, relinquishing the Village of any liability once the removal process is started.

Submission Instructions: Please submit all requests to the
